# Ch. The Meadows Witchery Norseman

(The Meadows Carry The Dream x The Meadows Talk Back)

Thank you to those who appreciated Timber's classic beauty.

**Laurie Jeff Greer** who finished him in style and in whose hands I knew he was safe.

**Linda Burns** who allowed me the opportunity to breed such a beautiful collie.

**Blaine Mason and John Humensky** to took him to a Group 2  
and set us on course for the future.

**Barb Linder** who loved looking at him as much as I did.

**Sue Wyglendowski**, my sister in the Lord, who Timber adored.

**Andrew Nelson** who stayed with me as Timber became part of the past.
